Workforce Heterogeneity and its Impact

International
Conference

Date:

December 6-7, 2012

Location:

Institute for Employment
Research of the Federal
Employment Agency (IAB),
90478 Nuremberg,
Germany

This conference aims to cover the consequences of different dimensions of workforce heterogeneity (nationality, cultural background, skill and occupation, gender, and age), high-lighted from various perspectives and disciplines. The focus will be on the impact of diversity on important indicators like productivity, wages, social inequality, discrimination. We intend to combine micro and macro perspectives by considering individual, firm, regional, country and European levels.
