Beyond IS0701

1. What next? Any prospects of applying for a new COST Action?
→ COST is looking for innovative ideas (no overlapping of new proposals with previous Action)
2. Have you applied for any EU funding? If yes, what is the status of the application?
3. Any problems during the run of Action IS0701? What do you think could have been done differently?
4. What do you think could be improved in COST (excluding the budget aspect)?
5. Any continuity with the Action website? Any means of maintaining it?
6. Comment on the value of COST in the European Research Area?

Any Questions ?

- Thank you and good luck for the future!
