

CALL FOR PAPERS

Labor Markets and Trade in a Changing World

**2nd Joint Workshop
of Aarhus School of Business
and the Institute for
Employment Research**

The second joint workshop between ASB and IAB aims at bringing together researchers from both institutions and should foster the possibilities for exchanging researchers in the form of longer term visits at the partner institution, facilitated data access, common research projects, etc. The workshop presents research in areas that are common to both institutions, particularly work in labor economics, education economics, on migration, internationalization and trade. Theoretical contributions and empirical research using survey evidence, register data as well as policy-oriented papers are welcome.
