

## Call for Papers

# 1st User Conference of the PASS panel survey

and Special Issue of the Journal for Labour Market Research  
(Zeitschrift für ArbeitsmarktForschung)

### Background

We are inviting submissions for papers to be presented at the 1st User Conference of the PASS panel survey. The 1st User Conference of the PASS panel survey aims at bringing together researchers from sociology, economics and survey methodology and fostering exchange between data users of the PASS panel survey. Papers should be based on data from the PASS panel survey. They may address research questions in any of the areas that PASS is designed to investigate (e.g. labour market research, poverty research, social policy research) as well as methodological questions.

### Submission

We invite researchers, who would like to participate in the conference to send in their electronic abstracts of no more than 500 words to [IAB.HHP@iab.de](mailto:IAB.HHP@iab.de) no later than May, 14th, 2012. You will be notified on acceptance until June, 11th, 2012.
