

Call for Papers

Labor market prospects of older workers

International
Conference

Background

The conference presents recent research on the labor market prospects of older workers. Theoretical and empirical work from different disciplines – in particular economics, sociology and psychology – is welcome. The scientific committee encourages in particular submissions of papers on the following topics:

- **Age and productivity:** Labor productivity, lifelong learning, health
- **Age and employment:** Retirement decisions, unemployment, active and passive labor market policies

Key-Note Speakers

- **Gerard van den Berg**, University of Mannheim
- **Maarten Lindeboom**, VU University Amsterdam
- **Kenneth Shultz**, California State University San Bernardino

Submission

The deadline for submissions is **June 15, 2014**. Please submit electronic pdf-versions of completed papers (preferred) or extended abstracts to older@iab.de. You will be notified on acceptance of your paper until July 15, 2014.
